FlockOS 911

Dispatch delays and unclear information compromise officer safety and response effectiveness.

FlockOS® 911, powered by Prepared, tackles this by streaming live 911 audio and visuals to officers' MDTs, delivering clarity when it matters most.

Experience the difference with FlockOS® 911. Officers gain immediate, comprehensive access to live call audio and on-scene media, including caller-sourced video and images, enabling informed, precise, and swift actions.

Ready to see how FlockOS® 911 can redefine your emergency responses? Schedule a demo today and step into the future of informed law enforcement.
